Visitors Welcome

If you check yes on "Visitors Welcome" the words "Visitors Welcome" will be placed after your name on the membership listing. This does not mean that you have to put someone up for the night. It just means that when another member is traveling in your area, or lives in your area, he or she is encouraged to call ahead to see if it would be all right to come by for a visit. If you are busy you are under no obligation to say yes. A "yes" on this form just opens up the possibility that someone will call.

Check here if you **do not** want your name on the AMS membership listing/AMS Web site. (The AMS does not sell the membership listing but it is distributed to all members including some businesses who are members.)

Do You Teach Marquetry or Have Marquetry Related Products For Sale?

The membership listing, printed in March of each year, will include a list of members who teach marquetry or who sell a marquetry related product or products. It is not intended as a catalog of each product sold but as a listing of where marquetry items can be purchased.
